

Contract Summary

Effective Date: 2/1/2021

Electric Generation Supplier Information	<ul style="list-style-type: none"> - The Energy Co-op, 215.413.2122, info@theenergy.coop, www.theenergy.coop - Generation prices and charges are set by the electric generation supplier you have chosen.
Price Structure	<ul style="list-style-type: none"> - If you have a fixed duration contract that will be ending, or whenever The Energy Co-op wants to change the contract, you will receive two separate notices before the contract ends or the changes happen. You will receive the first notice 45-60 days before, and the second notice 30 days before the expiration date or the date the change becomes effective. These notices will explain your options. - Variable rates are subject to change. The rates can change each billing period. Variable rates change on the first day of each calendar month and will be accessible, with updated terms, at www.theenergy.coop/electricity-terms-conditions. You will not receive notifications of variable rate changes except at the time of billing. The Energy Co-op's variable rates do not have limitations on rate variability, rate ranges, or rate ceilings, and there is not a limit on how much the rate may change from one billing cycle to the next. Your first billing cycle's rate will be the rate for the product you select, listed below. Variable rates are based on market conditions and fluctuations in energy-related costs.
