Products & Rates

Product	Term	Rate	Expiration Date
EcoChoice100 National	Variable	\$0.1399 per kWh	Varies monthly
EcoChoice100 Pennsylvania	Variable	\$0.1749 per kWh	Varies monthly

EcoChoice100 National and Pennsylvania

The Energy Co-op offers products providing members choice in selecting the geographical source of their renewable electricity. The EcoChoice100 National product is sourced from wind and solar projects nationwide while the EcoChoice100 Pennsylvania product is sourced solely from wind and solar projects within the Commonwealth of Pennsylvania. Both products are 100% renewable, specifically 99% wind and 1% solar.

Fixed Rates

If you have a fixed duration contract that will be ending, or whenever The Energy Co-op wants to change the contract, you will receive two separate notices before the contract ends or the changes happen. You will receive the first notice 45-60 days

before, and the second notice 30 days before the expiration date or the date the change becomes effective. These notices will explain your options.

Variable Rates

Variable rates are subject to change. **The rates can change each billing period.** Variable rates change on the first day of each calendar month and will be accessible, with updated terms, at www.theenergy.coop/electricity-terms-conditions. **You will not receive notifications of variable rate changes except at the time of billing.** The Energy Co-op's variable rates do not have limitations on rate variability, rate ranges, or rate ceilings, and there is not a limit on how much the rate may change from one billing cycle to the next. Your first billing cycle's rate will be the rate for the product you select, listed above. Variable rate changes are based on market conditions and fluctuations in energy-related costs.

Explanation of Charges

The rates listed above include generation, transmission and 5.9% Pennsylvania gross receipts tax. Rates are not introductory rates, do not have any other applicable EGS fees, do not require a deposit, and are subject to applicable taxes. Your EDC may charge fees and taxes. The supply rate may not always provide you with savings.

Generation prices and charges are set by the electric generation supplier you have chosen. Your EDC is responsible for distribution charges, as well as any emergencies and outages. The Public Utility Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Based on a monthly average usage of 700kWh, the following table provides you an estimate of your monthly electricity bill if you receive service from PPL and your generation and transmission from The Energy Co-op. Your actual bill will vary based on your use of electricity and your elected rate.

Contract Term & Cancellation

Service Start Date

Generally, your renewable electricity supply by The Energy Co-op will begin 3 business days after your enrollment request is processed by the EDC.

Right of Rescission

You have a 3-day right of rescission per 52 Pa. Code § 54.5(d) during which you can revoke your enrollment with our electricity service. The 3-day right of rescission is for 3 business days and begins when you receive the written disclosure. You may cancel in writing, orally or electronically, if available. Waivers of the 3-day right of rescission are not permitted by any EGS.

Cancellation/Early Termination Fees

The Energy Co-op does not charge cancellation or early termination fees for any of the products or rates listed. For fixed contracts, you will not be subject to a penalty or fee if you terminate the contract at any time between the date the options notice is issued and the expiration of the fixed duration contract.

Additional Information

Electric Choice & Shopping

Information about shopping for an electric supplier is available at www.PaPowerSwitch.com or other successor media platform as determined by the PAPUC, by calling the PAPUC at (800) 692-7380 and the Office of Consumer Advocate at 800.684.6560 OR at www.oca.state.pa.us.

Assistance & Universal Service Programs

PPL offers a number of assistance programs designed to provide low-income, residential customers with continued electric in exchange for reduced monthly payments based on individual household needs. For more information on PPL's assistance programs, visit <https://www.pplelectric.com/my-account/payments/need-help-paying-your-bill.aspx> or you can call PPL at 800.342.5775.

Obtaining Customer Account Information

The Energy Co-op may obtain your historical usage data from PPL for purposes of enrolling and supplying renewable electricity to you. By enrolling with The Energy Co-op, you hereby consent to The Energy Co-op obtaining and using that information for the purpose(s) stated, and consent to PPL releasing that information. The Energy Co-op will maintain the confidentiality of your personal information including your name, address, telephone number, electric usage and historic payment information, as required by applicable Commission regulations and Federal and State laws.

Assignment

This contract is not assignable by you. The Energy Co-op may assign this contract, including to a purchaser of all or substantially all of its business or as collateral in connection with one or more financing transactions.
